We have audited the internal financial controls over financial reporting of J.K.INVESTO TRADE (INDIA) LIMITED ("the Company") as of 31 March 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 27 - NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2016

### A SIGNIFICANT ACCOUNTING POLICIES

### l) a) General

i)

- These consolidated financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on accrual basis. Pursuant to section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014, till the standards of accounting or any addendum thereto are prescribed by Central Government in consultation and recommendation of the National Financial Reporting Authority, the existing Accounting Standards notified under the Companies Act, 1956 shall continue to apply. Consequently, these consolidated financial statements have been prepared to comply in all material aspects with the accounting standards notified under Section 211(3C) [Companies (Accounting Standards) Rules, 2006, as amended] and other relevant provisions of the Companies Act, 2013.
- ii) All assets and liabilities have been classified as current or non-current as per the Group's operating cycle and other criteria set out in the Schedule III to the Act. Based on the nature of products and the time between the acquisition of assets and their realisation in cash and cash equivalents, the Group has ascertained its operating cycle as twelve months for the purpose of current or non-current classification of assets and liabilities.

### b) Group structure

Name of the entity	Country of incorporation	Year of acquisition	Percentage of holding
J.K. Helene Curtis Limited (subsidiary)	India	1982	100% held by Parent Company
JKHC International FZE (subsidiary)	United Arab Emirates	2014	100% held by J.K. Helene Curtis Limited
J.K. Ansell Private Limited (formerly J.K. Ansell Limited) (Joint Venture)	India	1996	50 % held by Parent Company

#### II) Principles of Consolidation

- (i) The consolidated financial statements which include the financial statements of the Parent Company, its subsidiaries and a joint venture have been prepared in accordance with the consolidation procedures laid down in AS 21 'Consolidated Financial Statements' and AS 27 ' Financial Reporting of Interests in Joint Ventures'.
- (ii) The financial statements of the Parent Company and its subsidiaries and joint ventures have been consolidated on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after eliminating intra-group balances, intra-group transactions and the unrealised profits.
- (iii) The financial statements of the Parent Company and its subsidiaries and joint venture have been consolidated using uniform accounting policies.
- (iv) The excess of the cost to the Parent Company of its investments in each of the subsidiaries over its share of equity in the respective subsidiary, on the acquisition date, is recognised in the financial statements as goodwill and amortised over a period of ten years. Fluctuation to goodwill in respect of foreign subsidiary arising subsequent to acquisition, on translation at the year end rate, is included in the currency fluctuation reserve.

#### Use of Estimates

The preparation of consolidated financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities on the date of the consolidated financial statements and reported amount of revenue expenses for that year. Ultimate actual results may differ from those estimates. Any revision to accounting estimates is recognised prospectively.

### III) Fixed Assets

- All Fixed assets are stated at cost of acquisition, inclusive of inward freight, duties and taxes and other incidental expenses related to acquisition. All costs attributable to fixed assets are capitalised till the date they are installed and put to use.
- ii) Assets taken on lease other than leasehold land, are not capitalised. Lease rental are charged to revenue.
- iii) Intangible Assets are stated at acquisition cost, net of accumulated amortisation and accumulated impairment losses, if any. Intangible assets are amortised on a straight line basis over their estimated useful lives. Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised as income or expense in the Statement of Profit and Loss.

### IV) Impairment of Assets

At each balance sheet date, where there is any indication that any asset may be impaired, the carrying value of such assets is reduced to its recoverable amount and the amount of such impairment loss is charged to profit and loss account. If at the balance sheet date there is any indication that a previously assessed impairment loss no longer exist, then such loss is reversed and the asset is restated to that effect.

### V) Depreciation and amortisation

- Depreciation on Fixed Assets is provided on Straight Line Method at the rates and in the manner specified in Schedule II to the Companies Act, 2013 and on basis of technically evaluated useful life.
